

# OVERHEAD DOOR OPENERS

Independent Roller Door Services (IRDS) supplies the latest gate and door technology for secure, reliable and long-lasting performance.

Whether you're doing a renovation or a new building, here's why you should be using an industry-leading product:

- Easy to use
- The most secure on the market
- Have a huge 7-year warranty on some models
- Are industry leaders in groundbreaking technology with more innovations being developed every day.

Rest assured, if you're dealing with IRDS we will be supplying quality products for your next project.

## ENDURO™ GDO-9 GEN2

With a powerful 1000N DC motor, adjustable speed settings and ready for Wireless Safety Beams, the Enduro™ is the opener of choice for when you positively want the best in performance, features and peace of mind.

## ERO® GDO-11

The Ero® garage door opener offers great value for money.

With important features included, Ero®'s 650N motor will drive most standard residential sectional doors.
